SALE OF ANY GOODS COVERED BY THIS QUOTATION IS EXPRESSLY CONDITIONED UPON THE TERMS AND CONDITIONS CONTAINED OR REFERRED TO HEREIN, INCLUDING THOSE SET FORTH ON THE REVERSE SIDE OF THIS QUOTATION AND THOSE CONTAINED IN ANY ATTACHMENTS HERETO.

STANDARD TERMS AND CONDITIONS OF SALE

Sale of any goods covered by this quotation is expressly conditioned upon the terms and conditions contained or referred to herein, including those set forth on the reverse side and those contained in any attachments hereto. Any order or any statement of intent to purchase any such goods or any direction to proceed with engineering, procurement, manufacture or shipment shall constitute assent to said terms and conditions. Any additional or different terms or conditions set forth in Buyer's purchase order or similar communication are objected to and will not be binding upon General Electric Supply Company (GESCO) unless specifically assented to in writing by an authorized representative of GESCO management.

1 **PRICES AND TERMS** — Unless otherwise noted, all prices by GESCO are subject to change without notice. Prices do not include any present or future sales, use, excise, value-added or similar taxes and, where applicable, such taxes shall be billed as a separate item and paid by the Buyer.

Unless otherwise noted, all sales are made f.o.b. point of shipment with freight allowed to common free delivery point nearest destination within the United States, except Alaska and Hawaii; in all cases, title shall pass upon delivery to the carrier at point of shipment and thereafter all risk of loss or damage shall be upon Buyer.

All items shown as freight allowed pertain to particular items and quantities. Any deviation after placement of order, such as changes in quantity or partial release, will be subject to the manufacturer's terms and conditions where applicable.

Extra labor or mechanical facilities required to unload shall be provided by Buyer without any cost to GESCO.

2 **DELIVERY** — Factory shipping dates given in advance of actual shipment are estimates by the manufacturer and shall not be deemed to represent fixed or guaranteed shipping dates.

GESCO shall not be liable for failure to deliver or for delay in delivery or performance due to (i) a cause beyond its reasonable control, or (ii) an act of God, act or omission of Buyer, act of civil or military authority, governmental priority or other allocation or control, fire, strike or other labor difficulty, riot or other civil disturbance, insolvency or other inability to perform by the manufacturer, delay in transportation, or (iii) any other commercial impracticability. In the event of any such delay, the date of delivery or performance shall be extended for a period equal to the time lost by reason of delay.

3 **PAYMENT AND FINANCIAL CONDITION** — Each shipment or delivery shall be deemed to have been sold under a separate and independent contract.

Any order for goods by Buyer shall constitute a representation that Buyer is solvent. If, in the judgment of GESCO, the financial condition of the Buyer at the time of manufacture or shipment does not justify the terms of payment specified, GESCO reserves the right to require from Buyer full or partial payment or other adequate assurance of performance before manufacture or shipment. GESCO reserves the right to suspend its performance until such payment or adequate assurance of performance has been received.

Buyer, in order to provide security for the payment of the full price of goods furnished hereunder, grants GESCO a security interest in said goods. Buyer agrees to execute any documents or furnish information necessary to perfect the security interest.

4 **WARRANTIES** — Goods distributed by GESCO are the products of reputable manufacturers. GESCO shall use its best efforts to obtain from each manufacturer, in accordance with the manufacturer's warranty (copies of which will be furnished upon request) or customary practice, the repair or replacement of goods that may prove defective in material or workmanship. The foregoing shall constitute the exclusive remedy of the Buyer and the sole obligation of GESCO. Except as to title, THERE ARE NO WARRANTIES, EITHER WRITTEN, ORAL, IMPLIED OR STATUTORY, relating to the described goods which extend beyond that described in this paragraph. NO IMPLIED STATUTORY WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE SHALL APPLY.

5 **LIMITATION OF LIABILITY** — GESCO's liability to Buyer or third parties for loss or damage arising out of this contract or from the performance or breach thereof or connected with the supplying of any goods hereunder, or their sale, resale, operation or use, whether based on contract, warranty, tort (including negligence) or other grounds, shall not exceed the price allowable to such goods or part thereof involved in the claim. GESCO shall not, under any circumstances, be liable for any labor charges within the prior written consent of GESCO.

GESCO shall not in any event be liable, whether as a result of breach of contract, warranty, tort (including negligence) or other grounds, for special, consequential, incidental or penal damages including, but not limited to, loss of profits or revenue, loss of use of the product or any associated product, cost of capital, cost of substitute products, facilities or services, downtime costs, or claims of customers of the Buyer for such damages.

If GESCO furnishes Buyer with advice or other assistance which concerns any goods supplied hereunder, or any system or equipment in which any such goods may be installed and which is not required pursuant to this contract, the furnishing of such advice or assistance will not subject GESCO to any liability, whether based on contract, warranty, tort (including negligence) or other grounds.

6 **HAZARDOUS BUSINESS** — Unless otherwise agreed in writing by an authorized representative of GESCO management, goods sold hereunder are not intended for use in connection with any nuclear facility or any other hazardous activity, such as commercial or military aircraft, missile installation, space exploration or other critical applications where failure of a single component could cause substantial harm to persons or property. If so used, GESCO disclaims all liability for any nuclear damage, contamination or other injury and Buyer shall indemnify and hold GESCO harmless from such liability whether as a result of breach of contract, warranty, tort (including negligence) or other grounds. Neither GESCO nor its suppliers shall have any liability to the Buyer or its insurers whether based on contract, warranty, tort (including negligence) or other grounds for on-site damage to any property located at a nuclear facility.

7 **TERMINATION** — Buyer may terminate an order only by mutual agreement based upon payment to GESCO of reasonable and proper termination charges.

8 **RETURNED GOODS** — Goods may not be returned without the prior written consent of GESCO.

9 **ASSIGNMENT** — The delegation or assignment by Buyer of any or all of its duties or rights hereunder without the prior written consent of GESCO shall be void.

Memorandum

To Arron Gluck - Director of Purchasing Date 11/13/81

From David A. Hiatt-Engineering Supervisor-Street Lighting Eng.

Subject Ref. No. 628, 1982 Electric lamp bid

COPIES TO:

Bids were received from four (4) vendors to supply the City with its electric lamp needs for 1982. Two vendors quoted on Sylvania lamps and two quoted on General Electric lamps. Discounts were offered and price sheets submitted with each bid. In order to evaluate the differences in the discounts in actual dollars, a bid tabulation was completed. A copy of this analysis sheet is submitted for your records.

All items listed on the tabulation form are current inventory items. The quantities shown are based on 1981 order levels and reflect on normal year purchasing habits.

All items marked with an asterisk were not available from each vendor. Based on last years purchases "G.E." was not able to bid on (4) items and Sylvania could not bid on (1) item.

A summarization of total bid prices, neglecting those items not available from all vendors, revels the following comparisons.

All Phase Electric (Sylvania)	Central Supply (Sylvania)	Graybar Electric (G.E.)	General Electric (G.E.)
$74,740.90	$74,406.54	$78,976.80	$145,590.32

As you can see from these estimated total volumes, Sylvania is the apparent manufactor of lamps to be selected.

A summary of all items offered by Sylvania reveals the following total bid estimates.

All Phase Electric	Central Supply
$ 76,382.74	$ 76,070.34

Based upon the costs presented, Central Supply is the low bidder. These discounts reflect 3.4% decrease from 1981 prices.

Please prepare Blanket Purchase Order to Central Supply for 1982 based on the discounts offered in their bid.
